Memorandum

Nands. Comrs. Docket No. 79 dt. 15th May 76, submitting the Proceedings connected with certain irregularities in the case of a garden belonging to the Temple of Apprameya Swami at Malúr in the Closepett Taluk.—

In the year 1869 when some of the jewels belonging to the Temple of Apprameya Swami at Malúr were stolen, the Amildar, in reporting the same to the Dy. Comr., suggested that the value of the stolen property should be made good by the Temple Servants.—

Report No. 476 dt. 20th Sepr. 69

Order No. 386 dt. 30th Sepr. 69

2 The Dy. Comr. approved the Amildar's suggestion on the understanding that the loss of the property was doubtless to be attributed to want of care on the part of the Temple Servants,— and the Amildar was called on to recover from each of the Servants a quota of the value of the property lost.—

The

3.— The Servants of the Temple preferred an Appeal against the Dy. Commr.s order, whereon the Commr. of Nandy (Major Clarke) passed an order to the effect that " The order passed by the Dy. Commr. (dt. 30: Sept.r/69) was based on the report of the Amildar, who seemed to have suppressed all allusion to the Guarantee given by the Parpatyagar Krishnaiya & by Venkatanarsaiya (Shanbogue). By this Guarantee these persons expressly undertook to be personally & pecuniarily responsible for the articles belonging to the Temple in their keeping, & they must clearly be made to abide by the terms of that Guarantee.— In reversal therefore of the Dy. Suptt.s Order the Parpatyagar & Venkatanarasaiya will be held severally & jointly responsible for the necessary articles & the Amildar will be directed to proceed to recover the estimated value viz. Rs. 607-4-4 from them"

dt. 14-9-70.

4. The Amildar to whom this order was communicated thro' the Dy. Commr., fixed the quota payable by each of the two individuals, and attached such

property of each, both moveable and immoveable, as was thought sufficient to fetch the amount due by each man.— In the public auction that took place, the amount realized on the property of the Parpatyagar ~~xxx~~ was found sufficient to pay his quota, but the sale proceeds of the Shanbogue's property fell short by Rs: 2 67-15-11.

5. Further property of the Shanbogue was therefore looked for; and it being then brought to notice that the Shanbogue had a cocoa garden known as "Anekan Tota" in the village of Mainakanhalli in the same Taluk, the Amildar asked permission of the Dy. Commr to attach this garden on account of the balance due by the Shanbogue.

Urzi No. 491 dt. 6: October/71

St. 9: October/71

6. The permission asked for was granted by Mr. Krishna Mirle, ~~xxxxxxxx~~ the Asstt. Commr and the Amildar attached the garden.— Before effecting, however, the sale thereof, the Amildar suggested that permission might be obtained from the Commr of the Division for effecting

effecting the sale of this immoveable property. - But Mr. Ricketts, the then Dy. Comr., ordered the sale, considering the Comr's permission unnecessary on the ground that Dy Comrs had sufficient authority to order the sale of Ryots' holdings for the amounts due by the Ryots. - The Amildar effected the sale in favor of one Thamanja for Rs. 132. -

Order No. 389 dt. 20-11-71

× Auction List dt. 12 Feby/7

7. - A Petition was then received in the Chief Comr's office from one Dása Bóyi who complained that the above mentioned garden was the property of the Temple of Apprameyaswami and that the sale of the garden on account of the Thamboguè's liability was irregular &c. -

8. The Petition was, thro' the Comr., referred to the district authority, who called on the Amildar to submit a report on the subject. - The Amildar reported that as seen from the Pudivat Accounts of 1869, the Thamboguè's uncle Venkataramanaiya placed the garden under the supervision of two individuals, Venkatapataya & Venkatanaradaiya, in 1799, on Pudivat terms in favor of the Temple, whereby a sum of 5 pagodas per annum out of the Ryot's share of the benefit

benefit arising from the garden was to be paid towards the annual processions &c: in the Temple, — that in the year 1862/63 (when Dalaje gardens were converted into Nagadigal) the Chanbogue held the garden on Kandayam tenure as per the Revenue Accounts of that year, and that no further documents were found to show that the garden was the property of the Temple. —

9.— The Comr. then ordered the sale of the garden to be cancelled, the sale proceeds to be refunded to the purchaser, & the garden to be placed under the Government management. —

10. Accordingly the cancelment of the sale was announced to the public, and the sale proceeds refunded, but, while taking measures to bring the garden under the direct management of Govt. the Amildar met with an objection from the Chanbogue's brother Venkatapatayya who came forward to state that the garden in question was a joint

... of the Sub-Collector ... parcel for sale by Romaldy & the Shanbogue; that the sale above mentioned affected only the Shanbogue's share, & that therefore Virasami Shetty should not be taken into the Government management.

11 The Shanbogue rejected the objection to the Dy Comr's order & was accordingly ordered to deliver the garden to Ferris & Co. under the Govt management as the objection raised by the Shanbogue's brother was inadmissable inasmuch the Shanbogue himself had no right over the garden. In execution of this order the garden was given to a certain individual on Ijara tenure of Rs 203 per annum.

Sanadi's report No. 287 dt. 29th Sept 73

12 There was again a complaint by Shanmugam (the purchaser mentioned in para 6 above) before the Comr to the effect that the garden in question had been mortgaged to him by the Shanbogue, that he had possession, enjoyment of and that therefore it should be restored to him. The Shanbogue likewise appealed to the Comr claiming the possession of the garden as his ancestral property.

Comr's Docket No. 114 dt. 29th August 73

Comr's Docket No. 119 dt. 4th Sept 73

13 The Dy Comr was called on to report on the subject. In the report accordingly made, the Dy Comr states that the Shanbogue has

Dy Comr's Docket No. 112 dt. 29th Nov 73

had held the garden on Gutta tenure, but as he concealed the tenure under which he held it the garden was taken away — from his possession as belonging to the Temple. —

14 Major Hill (the Comr.) passed thereon an order as follows

"On the cancelment of the sale it followed that the land should revert to the former holder (the Thanbogue) who held a Patta for it. — The ground given for disturbing his possession by the Dy. Comr. - viz - that he concealed the tenure under which he held it, is not sufficient to justify his being deprived of his lien thereon. — It therefore should be restored to him, and the Dy Comr. can call on him to act upto his engagement. —

"No summary order can be passed on Thamasinga's — Petition beyond referring him to the constituted Courts for the recovery of his money." —

15 The Thanbogue was therefore put again in possession of the garden,

He then petitioned the Dy. Comr claiming the Izara amount which had till then been paid by the Izaradar of the garden, minus the cost of the processions in the Temple. —

Dy Comrs Proceedings dt. 19th Nov /75

16. — The Dy. Comr rejected this claim of the Shanbogue as inadmissible & observed in his proceedings that "The Petitioner (the Shanbogue) is not entitled to the amount, that he is still under suspension from his service as Shanbogue as he has not paid as per orders his share of the value of the stolen property belonging to the Temple, and that the garden was first put to auction on the understanding that it was the Petrs property in satisfaction of his liability but afterwards found that it was Pudiwal Garden of the Devasthan

17. — The above proceedings of the Dy. Comr having been submitted to the Comr for information, the latter made a brief report of the case to the Chief Comr, observing that some stringent rules were necessary regarding the safe custody of Temple property (which

(which point was settled and the necessary instructions issued in the Chief Comm^rs order No. 9695 / G. 216 dt. 16th March/76)

18.— With regard to Major Hill's order referred to in para 14 above, the Comm^r states that he does not concur in the arrangement ordered by Major Hill, as under the circumstances that Patta should have been made out in the name of the Dastan with Shanbogue as custodean - not in the name of the Shanbogue himself who now of course considers himself as the proprietor acknowledged by Government.—

Letter No. 338 dt. 8th Dec^r/75

19. As Major Hill was however exercising co-ordinate jurisdiction when he passed the order, Col: Pearse leaves it to the Chief Comm^r to affirm or modify it as the Chief Comm^r may think desirable.—

20. It seems to me that there was no necessity to set aside the sale of the land in question

21 It being admitted and generally known that the original owner of the land (Uncle of the present Shanbogue) intended that out of the annual income of the land a sum of 5 Pagodas should be paid to the temple, the purchaser, whoever he may be, will be bound & may be legally required to continue the payment.

22.- The land itself was not made over by the Demarcation, which had only a lien on it for the due payment of the annual allowance.

23.- To simplify matters I beg to suggest that the purchaser be called upon to state whether he is willing to pay the 5 Pagodas annually or if he is, the sale may be confirmed and the property made over to

If the purchaser of the for sale of it be that these conditions, be made of course expressed & part of the deed of the Temple

him after obtaining a document from him on proper stamp bond himself, his heirs & assigns to pay the allowance.

2dly If the sale is not to be confirmed then the only alternative left is to refund the purchase money to the purchaser, and to require the Shanbogue who is at present in possession to execute a muchulka to the same effect as above stated, reserving to Govt the power of selling the land to another if the annual allowance is not regularly made

25. The course proposed in para 23 above, was approved & the Commissioner was requested to ascertain & report whether Thamanya, the purchaser of the Garden in dispute, was willing to pay annually 5 Pagodas to the Temple of Appramiya Swamie & to execute a Muchalika accordingly, binding himself, his heirs & assigns to continue the allowance. —

26. In reply the Comr. states, as reported by the Dy. Comr. of Bangalore, that the said Thamanya is willing to pay annually 6 (not 5) Pagodas to the Temple and to execute a Muchalika to this effect, binding himself, his heirs and assigns to continue the payment. —

27. — Thamanya (Thamanna) has also presented a Petition to the Chief Comr., stating that he is willing to pay annually a sum of 6 Pagodas & 3 Fanams which is the sum fixed for the Temple processions &c, and that on the 18th. August last he agreed before the Amildar to execute a Muchalika to the same effect. — The purchase money of Rs. 132, has been refunded

No 705.

29 The foregoing was communicated to the Collr Nandidroog Dr in the Chief Comms Proceedings No 6138/106 of 21st Sept 76.

30. With reference to the above, the Comms observes that the annual allowance payable by Shamiah the purchaser of the Garden in question is 6 Pagodas, and not 6 Pagodas & 3 Fanams as stated in the Proceedings above noted.

31. In inviting attention to the remarks in para 26 of this Memo, I beg to suggest that the Comms may be informed that from the Amildars report No 138 of the 11th June 1876 (which was returned to the Comms with the proceedings of the case) it appears that the annual payment by Shamia was raised to Rs 18-5-3 equal to 6 Pagodas and 3 Fanams.

Memo in Continuation of Nos. 347 and 705

32. The foregoing orders were communicated to the Commr. of the Nundidrug Division in this office Proceedings No 8164/150 dated 14th November 1876.

33. Colonel Pearse submits for the Chief Commrs. instructions the following additional circumstances that have since been brought to light regarding the garden belonging to the Appramayaswamy temple.

No 222 of 10-8-78.

34. When instructions were issued to carry out the Chief Commrs. order confirming the sale of the garden in question to Shamiah, one Potta Gowda of Chikkore Closepett Taluk, Complained

to the found that Shanmuka had no claims to the property as he had relinquished all his rights thereto by receiving back his mortgage money from Venkat Narsiah who in order to raise the necessary funds for this very purpose mortgaged the garden to him (Patta Book) on the 30th September 1874 for Rs 900; and further that there was no necessity for the sale of the garden as the value of the stolen property belonging to the temple had been realized from Venkat Narsiah. Under these circumstances the petitioner prayed that the garden which had

been in his possession
ever since it was mortgaged
to him by Venkat Narsiah
might be confirmed in
his favor on the same
terms as those stipulated
in favor of Shamiah
35. The Comm. referred
this complaint for a report
to the Dy Comm. and
from the reply it turned
out that the original
owner of the Garden, a
Europeanan Armakan —
endowed the Garden to
the temple and entrusted
it to the ancestors of
Venkat Narsiah for purposes
of improvement. Since
which period it appears
to have been in the —
possession of the family

who have annually paid
5 Pagodas to the temple
on its account
36. When the sale of the
garden to Shamiah was
cancelled in the first
instance he is said to
have mortgaged his share
in the property to petitioner
Pottaswda for Rs.900 and
that his brother Lukshmi
-pathiah likewise mortgaged
his share in it to Bora
Swda for Rs 600/- The
mortgagees above named
are reported to have agreed
to make the annual
payment of Rs 8-5-3 as
fixed by the Chief Commr
in his Order No $\frac{8164}{150}$ dated
14th November 1876. Shamiah
also, it will appear,
offers to pay the amount
bid Rs 132 he is

put in possession of the garden.

37. The Commr suggests that as Shanmuk has been paid the amount of his mortgage, the mortgagees Pootta Gowda and Bora Gowda should be confirmed in possession on their paying to the temple the purchase money Rs 132. and binding themselves further to the annual payment of Rs 18-5-3.

38 It is not clear whether Shanmuk admitting having received back the mortgage amount due to him. This may be clearly ascertained before passing orders on the present reference

Ex 23/8 22/8/78

39. The foregoing orders were communicated to the Comm[r] Kandidroog Dis[t] in this Office docket No 4148 of the 21st August last.

40. In reply, the Govt[t] of States X that the part of the mortgage amount deduce to Shamanah by Venkat= =nursiah alluded to has been acknowledged by the former on the 30th Octr 1874 on the back of the mortgage bond itself

41. The Comrs proposal (Vide para 37 above) may be approved.

Memo in continuation of Duplicate Memo No 209.

The Amildar of the Closepet Taluk was accordingly instructed to confirm the mortgages (Motte Gowda & Boray Gowd) in the possession of the Garden on their agreeing to pay to the Temple the purchase money viz Rs 132 and binding themselves by Sunchitka to pay annually the Sum of Rs 18. 5. 3.

No 942 of 28-1-79. from the Dy Comm. to the Amildar.

The Amildar in submitting a deposition taken from the mortgagees, reports that they are prepared to continue to pay to the temple only the annual Rent of Rs 18-5-3 so long as they Remain in possession of the Garden in Question

No 65 of 4-10-79

As regards the purchase
money Rs. 1,132 it
would appear that Bore
Gowda and Motte Gowda
have expressed their
unwillingness to defray
the amount on the ground
that though the garden
was sold in order to
make good the loss
of the temple jewels yet
the loss was fully met
by the sale proceeds of
Venkat Narsiah's other
property.

With reference to Petition No 496
from Shamanna forwarded to
the Board for report, Mr. Ricketts
states that the Petitioner Shamanna
has no claim whatever to the
garden in as much as he
has already received back
the purchase money and that
the mortgage amount due to
him by the late Venkatnarsiah
for the garden has been paid.

The question of the Retainers rights being disposed of, Mr Ricketts Solicits orders whether the purchase money Viz 132 as should be recovered from the mortgagees in possession of the land — It appears from the Papers and Mr Ricketts report that the money due by the said Venkatnarasaiah, on account of the loss of Jewellery has been recovered from the Sale of his Mrs property — So that there is no further necessity for the recovery of the 132 Rs above referred to — V.J.

A Sifting enquiry was made by the Amildar as regards the point referred to in concluding para of the accompanying proceedings. The Amildar is strongly of opinion that the temple has no more claim than merely a lien for a fixed annual rent of Rs 18- 5-3, and therefore requests permission to call on the mortgagees to execute the necessary agreement as ordered in the said Proceedings.

One Tirumalabhatt of Irukoor has filed a counter petition in this office. claiming the whole garden for the temple, and referring to certain old accounts in support of its claim

These accounts shew that the temple has for a long time, been in the enjoyment of only 6 Pagodas and 3 fanams, out of the revenue from the garden. The proprietory right of the garden, it appears, rested with the family of late Venkata Narasiah, whose father as a donor had continued to the temple only 1/4 share in the garden -

Under these circumstances, the claim set forth by the petitioner in behalf of the temple is untenable, and cannot now be admitted to the prejudice of the mortgagees. I would therefore recommend that permission may be given to the Amildar to take a Muchalika from the mortgagees as directed

in the above proceedings, subject however to any further decision of Civil Courts to which all claimants in behalf of the temple coming forward against this order, will be referred, to establish its claims, if any.

Former Petitions Nos 5779 and 2017 have been sent to the Hunr Court for disposal with office Memo No 1545 of 21st Augt 1877 From the Petitioners statement it appears that the C.C. order passed in No 8164 dated 14 N. No 150 Nov 1876. have not yet been given effect to.

the garden, should be appropriated for the ex
honses of the Cur- procepeon of the said Appra -
nay as away. Upon this, the Government took
he popepeon of the said garden, which then contain
ed 6 months of produce, and leased it. The money
aid by me was returned after 21 months, by which
I sustained a great lop.

While this being the case Venkatanarasyah in
e mean time petitioned to the Commepioner of
Vendedoorg Devesion, stating that the Putta of the
arden was in his name, and that it ought to be
his popepeon. On which, It was Endorsed
at an order was given to the District Commepioner,
give the popepeon of the garden to the Hedawale and -
ttay dar, that Venkatanarasyah should be restrained
hold it, and that he should abide according
the muchaleka, which he had given previously.
So soonen, Venkata narasyah received this, he mar-
aged it to others On what authority he did so,
not known.

Before I had time to bring the above into
r honors notice, I was informed, that the
le of the garden was confirmed by your kind
or, and that a muchaleka from me (the -
rchasers should be taken, and that the said
sent should be collected from me. Agreably
I received an order from the Sale -

Though I took the money to the Taluq Auth
Treasury 4 or 5 times, they with the object of rendering
assistance to Mottay Gouda Mortgage, delayed
without executing your honor's kind order. I again
petitioned on this subject, for which, I received an
Endorsment No 2017, that two of my petetions were
sent to the Commessioner of Nundidoorg Division, in
= obedience to the Chief Commissioner's proceedings of
21st of September 1876. Though I waited from that
time, with the expectation of the order being enforced
it was not done so up to this time, now, I received an
reply to my petitions.

Now I hear that your honor had or
to collect the money from Mottay Gouda, Mort
and to make over the garden to him. If it
I humbly request your kind honor will be
good as to favour me with any kind of Ende
= ment, to my petitions.

As I purchased the said garden in
Public auction, on the 14th of February 1872, I h
more claims than any others. As it was not
settle according to the proceedings of the Ch
Commissioner of the 21st of September 1876, it
ground to various correspondances and delay.
it was mortigaged to any one, since the
on which it was sold by Public auction,
would be of little consequence.

After the sale was confirmed, the
overnment, should have taken the money
rom me (the purchaser) as well as Muchalika
to the claims of the Temple & the Government; &
e said garden might have given into my care.

If the order of the Commissioner of Nundidevy
vesom was confirmed. the garden might have
n leased and the money obtained from it might
ve given to the Car-procession of the said
Upramayaswamy after covering the expanses for
improvement. No one has right to mortgage it.
his being the case, your kind honor should consider
the claims of the garden go to Mottay Gouda, Mort-
age, depriving me (the purchaser)

It was already known that the said garden
nged to the Temple named Upramayaswamy.
it is plainly stated in the Endorsment No 1013
te Division Commissioner, that the Pattaydar
no right whatever to mortgage the said garden.
therefore request your kind honor to cause
rder given in my favour to be brought into
e and thus protect me (your humble servant).

For this act charitable kindness, I shall
ray to the Almighty for your honor's Long
and Prosperity.

I beg to remain

Invites attention to his petition dated 12 March 77 requesting that necessary instructions may be issued to carry out the Chief Commrs order regarding the Arrack Sarden attached to the Malon Appramanjeswarans Temple states that he received no reply to the above nor its enclosures returned to him. He has been requesting the Amildar from December last to receive from him the amount of being the sale

the Builder has been much coming
time in the season that no orders have
been rec'd from the District office -
besides the garden has not also been
given to this profession - It appears
that the amount which had been not

Commissioner of Mysore.

Sir,

I do not long to your official Memo
No. 32 dated 26th Jan 1872, forwarding
for disposal a petition from Doraia
Boyee of Devarahilli in the late Chan
-napatna Taluk praying to notice
certain irregularities in connection
with a garden belonging to the
Sri Prasanna Venkatramanaji's Temple at Arolu.
I have the honor to report as follows:—

2. In the year 1864, when some
of the property of the temple was
stolen, it was decided that Venkat-
-ramiah, the Shanbogue, and the other
temple servants should make good
the full value thereof. The Shanbogue
paid to Government the amount,
and steps were taken to realize his
share from the sale of the property.
In carrying out this arrangement, the
garden referred to by the petitioner
was sold by auction, as it was sup-
posed to be the Shanbogue's property.

On

3. On receipt of the petition, more or less forcible, an enquiry was set on foot and it was ascertained that the site in question was originally selected by a Successor of the Star League with a benevolent view of the Village Salt Supply having the usual rare objects for cultivation and cultivation carried out - certain amount of success by the Devadasi, and was to be left available for that purpose. The Star League on the interest mortgage a portion of the garden to one Shanmugam, in the year 1867/68 when Rathayee Ammal executed an Hypothecation Deed for the said garden was originally made out in the name of the Star League.

4. After some correspondence, an order was sent from this Office directing the sale of the garden by the Collector and it was found not to be the Star League's property. In carrying out this order, the Rev. Commissioner kept the garden under Government management and applied the value of the proceeds towards the object which the donor originally had in

"No Summary order can be "passed on Summary petitions un- "-less proceeding strictly to the Consolida- "-ted Courts for the recovery of this "money."

6. It is reported that the Thandagu has not yet paid his share of the value of the stolen property, and he is un-

from office.

7.— I take only to bring out that
under present arrangements persons
in prove custody are [illegible] on account
of benefices and other institutions are
not entitled even to sell or mortgage
the properties without leave of Bishop
and as my own results to Himself,
and I beg respectfully to state that
in my opinion an effectual step
should at once be had to such grave
abuses, and that some stringent rules
are necessary with reference to ex-
communicated Priests for the future.

8.— I will request the Major Mills
Order from me to admit that I
do not consent to the arrangement
ordered by him, as under the cir-
cumstances, that Dr Walsh should have
been made out in the name of the
Archbishop - with the Archbishop as
Custodian not in the name of the
Archbishop himself who now
of course considers himself as
the proprietor as recognised by
Government.

When I receive the order, I must leave it to the Officer Commanding, to make arrangements for suffering as little inconvenience as possible.

for the sale of the garden as the value of

these circumstances the petitioner prayed
that the garden which had been in his

to the Temple on the account.

4. When the sale of the garden to Ohanniah was cancelled on the first ground he is said to have mortgaged his share in the property to petitioner Poota Gowda for Rs. 400 and that his brother Da ishimiya-tuth likewise mortgaged his share in it to Bora Gowda for Rs. 600.

4. The mortgagees above named are reported to have agreed to make the annual payment of Rs. 18-5-3, as prayed by the Chief Commissioner in his Order No. $\frac{8164}{150}$ dated 14th November 1876. Ohanmah also offers to pay the amount of his bid Rs. 132/4 he is put in possession of the garden.

5 I beg to suggest that as Ohanmah has been paid the amount of his mortgage the mortgagees Poota Gowda and Bora Gowda should be confirmed in possession on their paying to the Temple the purchase money Rs. 132, and binding themselves further to the annual payment of Rs. 18-5-3.

Sir,

With reference to the Chief Commissioner's Official Memorandum No. 2702/350 dated 3rd September last, forwarding for report, a petition from one Chanmarla of Ugamapatna regarding the garden belonging to the Malour Ishpranya Swamy temple in the Closepet Taluk, I have the honor to report as below.

2. From the Circular

[illegible] No 35, I have the honour to be submitted, with its enclosures, [illegible] in reply to your letter No. 8999/158 of the 14th ult. regarding the Garden [illegible] to be allowed to the Chief Commissioner's Peon, alluded to in the above Memorandum, I am directed to state that the Chief Commissioner's Peon, Appa Row, was allowed to retain the above Garden, after receiving from them the amount of sale, viz, Rs 132-

3. The Collector now states that the said individuals object to pay the purchase money, saying that though the Garden in question was sold in order to make good the loss of the temple jewels, yet the loss was made up from other property of Venkatarama, but that they are willing to continue to pay to the temple, only the annual rent of Rs 18-5-3, so long as the Garden remains in their possession-

4. It may be added that the Petitioner has no claim whatever to the Garden, inasmuch as he has already received back the purchase money, and as the mortgage amount due to him by the late Venkatarama on the Garden in question has been paid to him, I request to be informed on the subject.

5. The Enclosure of the Memorandum under Reference is herewith returned-
